Credit-Cafe (04/2023 - 05/2023)

- A library of different types of credit cards where a user can view credit cards, generate credit cards, and download generated credit cards.
- Features
- Unauthenticated User: Visit the platform to view basic information about the platform and Interact with the documentation. Register to view more details. No access to use until registered. Able to view but can't download from the library User:
- Authenticated User: Full access to the platform. Users can download credit card sample. User can interact with the documentation. Downloaded card design come with all files (hence, a png format, front and back of the card)
- Stack: HTML, CSS, JavaScript, Local Storage, Session Storage
- Demo Link

EDUCATION

Human Anatomy
Nnamdi Azikiwe University Awka

11/2016 - 05/2021   *Anambra State, Nigeria*

Full Stack Software Engineering
ALX Holberton School of Software Engineering

07/2022 - 10/2023   *Remote*

Courses

- Low-level programming & Algorithm
- Higher-level programming
- System engineering & DevOps
- Technical Writing and Networking

Frontend Development
ZuriXI4g Software Development Training

09/2022 - 03/2023   *Remote*

Courses

- Frontend Programming
- Git and GitHub

SKILLS

`HTML` `CSS` `JavaScript` `React` `NextJS` `TypeScript` `Vite` `Firebase` `API` `SASS` `SCSS` `UnoCSS` `Tailwind CSS` `GitHub` `Git` `Bootstrap` `WebPack` `Jest` `Python` `Babel` `Bash` `Ubuntu` `JQuery`

CERTIFICATES

Full Stack Software Engineering (07/2022 - 10/2023)
Certificate Link

Frontend Development (HTML, CSS and JavaScript) (09/2022 - 03/2023)
Certificate Link

HTML & CSS Essentials Bootcamp (11/2022 - 11/2022)
Certificate Link

JavaScript Essential Bootcamp (11/2022 - 11/2022)
Certificate Link

Python Essential Bootcamp (11/2022 - 11/2022)
Certificate Link

React-Js Essential Bootcamp (11/2022 - 11/2022)
Certificate Link

ORGANIZATIONS

African Leadership Group (ALX) (07/2022 - Present)
Software Engineering Student Intern

Zuri (09/2022 - 12/2022)
Frontend Developer Student Intern
